

BREAKOUT ROOM

Six Breakout rooms, one for each area of expertise, will contain up to 16 tables. A table will be available for each participating Women Ag Professional in the respected breakout room designated at registration. The Ag professional is invited to display career and company information at her table. In front of each table will be 10-15 chairs for the attendees . During a breakout session, attendees will select one Area of Expertise to visit during the designated time frame. Upon arrival to the breakout room, attendees will be asked to break into small groups (around 10) at a table. Ag professionals will have 20 minutes to discuss her personal career story and information on her current employment. A room moderator will give participates a signal when it is time to switch. At the end of day, attendees will be able to visit three different breakout rooms.
